Other curriculum fees may be added through the year for varying classes such as Reading, Art, Music, Bible, Stanford testing, Labs, etc.

Financial Policy: London Christian Academy has since its inception in 1975, striven to maintain the lowest possible cost to its students and families. It is therefore essential that all tuition and curriculum fees be paid promptly. Students attending one day or more of any monthly period will owe the full month's tuition. Any exception to the financial policy and fees made for one student does not necessarily mean an exception will be made for others.

Tuition Payments: For your convenience in making tuition payments, the school year is divided into ten periods, the first payment being due by August 1, 2023. The remaining payments are due on the 1st of each month starting in September and are considered late after the 10th. It is suggested that tuition payments be made by check or money order to avoid loss. If payment has not been made by the 10th of the month a reminder letter will be sent.
